MEMORANDUM TO COUNCIL ON FOREIGN ECONOMIC POLICY

Subject: CFEP 568 - United States Foreign Economic Policy for Africa
South of the Sahara

1. On June 5, 1958, I transmitted to Council members for consideration my recommendations with respect to United States foreign economic policy for Africa South of the Sahara.
2. I have since received from some Council members suggestions which I consider to be most constructive and deserving of incorporation in my policy recommendations.
3. Accordingly, I have prepared the attached revision of my recommendations to be substituted for the recommendations of June 5, 1958 (CFEP 568/1).
4. This attached revision, and not CFEP 568/1, will be the paper to which the Council on Foreign Economic Policy will address itself at the meeting on this subject scheduled for June 17, 1958.
5. I propose that these recommendations or others in their stead which may be agreed to at our meeting will supersede paragraphs 21 through 27 of NSC 5719/1.
