

Office Memorandum • UNITED STATES GOVERNMENT

TO : Acting Chief, Language and Area School

DATE: 9 September 1959

FROM : Deputy Chief, Area Training

SUBJECT: Weekly Activities Report

A. SIGNIFICANT ITEMS

None

B. OTHER ACTIVITIES

1. The Americans Abroad Orientations for Germany, Western Europe, and Latin America commencing on the 14th have a total of 24 enrolled, including 4 dependents. This is the off-season for movement to Western Europe, and one year ago we were forced to cancel. The 13 enrolled for Latin America represent a new high for that area. The proportion of dependents, however, is still discouraging.

25X1 2. A new feature of the Latin America briefing is an afternoon session on "How to make the most of your personal contacts" in the area, a topic which was introduced successfully in the Germany briefing in June. WH has designated [redacted] who has lived most of his life in the area, to work up this session with me.

25X1 3. I very much regret, but respect, [redacted] decision that he will not have the time to co-direct with me our prospective Senior Area Seminar on Europe. My next approach will be to [redacted] of ONE. It will be essential to have an Agency specialist on Eastern Europe for this purpose in order to cover the theme which we consider most timely for this fall, namely, the whole problem of European security as viewed by West and East.
