1. [ ] and I visited [ ] for his help in surfacing names of senior Agency specialists on Soviet strategy. We wish to enlist the services of one such official to co-chair certain sessions of our forthcoming second offering of the Senior Area Seminar. This course, to run in November with the title "The European Security Problem," will embrace both Western and Soviet interests and policies in Europe. [ ] is our first nominee, and I plan to see him shortly with our proposition. Our approaches to three nationally known guest specialists must be made early in September.

2. During my attendance at the Maxwell Institute in August, [ ] will prepare a tentative outline of the proposed Regional Survey on the Balkans. On my return, we shall visit the appropriate branches in EE and ORR to determine the relative degree of their interest in this course as compared with their reported desire for an early second running of the Czechoslovakia, East Germany, Poland course. The latter will include Hungary for the next offering and will be renamed RS - East Central Europe for simplicity.

3. With approval of SO/TR, our large wall chart on area training courses now greets those using the new Quarters Eye entrance. VAS/ISB/TR is to be commended for a most eye-appealing job, which was completed just in time for the dedication of this entrance. We hope to obtain hand-out size prints of the chart for briefing purposes and will forward a copy to you.
