B. OTHER ACTIVITIES

1. [redacted] have been working with [redacted] of EE Division to obtain short-term intensive training in French for an individual who is returning from the field for the summer and who cannot take the training at a government facility. It now seems likely that arrangements can be made to enroll him in a course at Georgetown beginning 16 June.

2. Arrangements have been made to accommodate three students in a part-time Spanish course at the FSI. This will enable Mrs. [redacted] our contract instructor in Spanish, to take two months' leave in mid-summer to complete urgent personal business.

3. Course descriptions on all language courses for inclusion in the OTR Catalogue have been completed and are being forwarded to the Registrar Staff.

4. The Italian Intermediate (Part-Time) course of five students spent 11 through 13 May at [redacted] at the conclusion of a 20 week course. After several cancellations by the invited native speakers and various problems in finding chaperones, the group settled down to three days of exclusive use of Italian. Besides [redacted] of the Romance Language Staff, [redacted] of WE [redacted] of EE were responsible for the success of this first Italian exercise at the house.
