# Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Language and Area School

DATE: 11 February 1959

FROM : Deputy Chief, Plans, Research and Administration

SUBJECT: Weekly Activities Report

A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

1. Steady progress is being made toward completing all processing and testing for 1958 in the Language Development Program. The Registrar has reported as of Monday that 153 individuals who had taken written proficiency tests during 1958 remained to be tested orally. As of today, this figure stands at 66. Delays in testing have largely been occasioned by failure of the individuals to show up at the scheduled time and this suggests the advisability of enforcing a greater discipline in this regard. The LAS Staff is not so large that repeat tests can be arranged at the convenience of the person being tested.

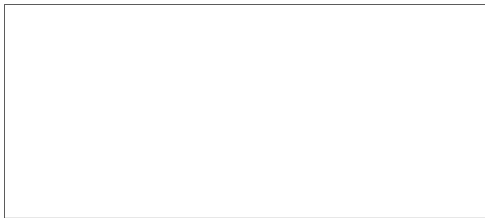

2. Eighty-seven people reported for Proficiency tests last week in French, Spanish, Japanese, Indonesian, Greek, Russian and German.

3. During the past week the following books were received by the LAS/TR Library in 2129 "I" Building:

Adams, Doris Goodrich Iraq's people and resources 1 copy

Economist Intelligence Unit, Publishers Britain and Europe  
2 copies

Tewksbury, Donald G., compiler Source Materials on Korean
