MEMORANDUM FOR THE INTELLIGENCE ADVISORY COMMITTEE

SUBJECT: The Situation in Indonesia

1. The Director of Central Intelligence has instructed that the attached summary of the current situation in Indonesia be circulated to IAC members as a basis for discussion at the meeting on 5 March 1957.

2. The developments discussed in the attached paper have recently been brought to the attention of the National Security Council in the Director's regular intelligence briefing on February 28, 1957. Unless the discussion in the IAC brings out significant differences of opinion or significant points not covered in this summary, the Director believes that it will be sufficient for him to keep the National Security Council apprised of further developments and that a Special National Intelligence Estimate is not necessary at this time.
