IAC-M-349
24 June 1958

1. Approval of Minutes
17 June Meeting
(IAC-M-348)

Approved as written.

2. Situation Review

a. Watch Committee Report
No. 411

Captain Styles, Acting Chairman of the Watch Committee, outlined the conclusions of this report. The members noted the report and discussed recent developments in the Lebanese situation.

In this connection, Admiral Frost advised that Captain Styles had received a new assignment and the Chairman thanked Captain Styles for his contribution to the work of the Watch Committee.

b. Review of Sensitive Situations

Mr. Amory invited the members' attention to recent reports on the Polish situation. General Schow also referred to information regarding joint maneuvers and troop movements by units of Soviet, Polish and East German military forces. The Chairman stated that this situation should be watched carefully. A brief reference was also made to developments in Hungary.

The Chairman raised a question regarding the outlook in Burma, in the light of recent developments and a report by [redacted] Mr. Kent outlined the substance of a memorandum on this situation which had been prepared by the Board of National Estimates. During this discussion the Chairman suggested that an attempt be made to obtain comments by [redacted]

The Chairman and Mr. Cumming also discussed recent developments bearing on the military situation in Indonesia.

- a. Approved as amended.
- b. Agreed to release this estimate to USIA.

6. Intelligence Requirements
of NESC
(IAC-D-122, 18 June;
Limited Distribution)

Noted the memorandum from General Thomas setting forth the intelligence requirements of the NESC for 1958-59. It was agreed that the Board of National Estimates should prepare a draft paper designed to meet the requirement for certain specific coordinated intelligence, as outlined in the attachment to General Thomas' memorandum, with the understanding that the exact form of submission of that paper to

the NESCS (e.g., SNIE or memorandum) would be determined when the paper was submitted for review by the IAC. In this connection, it was also agreed that the National Indications Center should be requested to submit a contribution, as appropriate, on the portions of this paper relating to U.S. warning capabilities in mid-1962 (para. D of attachment to IAC-D-122).
