Baltimore 27, Maryland

Gentlemen:

1. This document constitutes Amendment No. 1 to Contract No. HF-8141 between Westinghouse Electric Corporation and the United States Government and said contract is amended as hereinafter set forth.

2. Pursuant to the provisions of PART IV - PRICE REDETERMINATION, the parties hereto have negotiated and agreed upon a final contract price for all services heretofore furnished and hereafter to be furnished. As a result of said agreement, PART II - CONSIDERATION AND PAYMENT, is amended by adding the following new Paragraph f.

"f. FINAL CONTRACT PRICE. The total contract price for the services called for under this contract, which were subject to re-determination, is \$64,117. Full payment of said price is subject to the provisions set forth above. However, said price does not contemplate any overseas services. In the event such services are required, an equitable adjustment in the contract price shall be made. Such adjustment shall be determined by negotiation between the parties. In the event the parties fail to agree to such adjustment, the failure to agree shall be deemed to be a disagreement as to a question of fact which shall be disposed of in accordance with the clause hereof entitled "Disputes".

3. As a result of said final price negotiation, funds available under the contract shall be decreased by the sum of \$31,883 or a new total sum allotted of \$68,117.00. Of the later amount \$4,000 is available for reimbursement of Travel and Emergency Spare Procurement costs.

4. Paragraph (b) of PART I - SERVICES TO BE FURNISHED is amended by deleting the words "and overseas shall not exceed three (3) aircraft months." appearing in the last sentence thereof.
