13 February 1959

Dear Dick:

A recent visit of one of our representatives to your Company raised a question as to your total number of M&O employees.

It is requested that you prepare a list of M&O employees by name and their respective code and job titles. Also, a brief description of their duties.

We would like to have this listing prior to our meeting with you on 2 March 1959.

Very truly yours,

Dan
