MEMORANDUM FOR: Chief, Finance Division

SUBJECT : Ten Per Cent Salary Differential - [redacted]

1. This is to advise you that the above employee arrived at a foreign post on 18 February 1959 where a 10 per cent salary differential is applicable. It is expected that this employee will remain at this post differential station for a tour of duty consisting of 18 months to two years.

2. It is realized in light of Change No. TL:SR-75, you will be unable to effect this differential until the 42nd day has expired. We are at this time bringing the information to your attention as to duty intent to permit you to be in a position to effect the differential pay at the time the minimum period has elapsed. As you are aware with my communication dated 24 February 1959, further identified by HPD-1269-99, the General Counsel's office was asked to rule on whether or not under the regulation cited, payment could be made retroactive to the date of arrival of the employee at the differential post.

3. Should it be necessary to communicate with us concerning this individual, please make reference to message number 6242 dated 19 February 1959.
