

~~TOP SECRET~~

17 November 1950

MEMORANDUM FOR: Deputy Director

The attached paper was prepared before the recent organizational changes. It seems to COAPS that there is merit in this proposal submitted by Mr. Babbitt. It is recommended however that this paper should be referred to Dr. Langer for his comment or utilization as he sees fit in developing the guide lines for the production of estimates.

JAMES Q. REBER, Chief
Coordination, Operations
and Policy Staff
