16 December 1957

MEMORANDUM FOR : Project Director

SUBJECT : Request for AQUATONE Clearances

1. I have today received requests for AQUATONE clearances which I have recommended for approval to the Project Security Officer. These are for:

[Redacted]

11 Dec 57)

A. Henry (nmi) Loomis, David Zander Beckler, and Herbert Frank York from Dr. Killian's office (these came by way of OSI from Dr. Killian), and

50X1

[Redacted]

S(T) 765

10 Dec 57

B. Dr. William H. Martin, who is the Director of Research and Development, Office of the Secretary of the Army.

50X1

2. This I pass on for your information only unless you wish to interpose some action, in which case time still permits such.
