MEMORANDUM FOR:

[redacted] Liaison Division, OGD

50X1

FROM:

RQM/OIS [redacted]

50X1

SUBJECT:

Inventory of Research Relating to
Our [redacted] "Take-Over" Study

50X1

1. Enclosed are three card file boxes containing a copy of the subject inventory for transmission [redacted]. Will you please obtain appropriate approval for this transmission from OGD and then arrange for its transmission through [redacted] pouch to [redacted]. In conjunction with the OGD clearance, will you indicate that, in accordance with Agency regulations, certain titles in our file were omitted in the copy of the file prepared for [redacted]. The types of studies whose titles are not being referred to include items classified Top Secret, National Intelligence Estimates, items with "US Officials Only" or "Internal Use CIA" restrictions, items on file in the OGS Archives, and other similarly sensitive items. Will you also indicate that all classified items are prepared on white cards, while the unclassified titles are on orange cards. This distinction will facilitate the use of the file at [redacted] in that all white cards will be used only by cleared personnel of the project.

50X1

2. Also enclosed for transmission to [redacted] is a folder containing some miscellaneous reports and clippings which we have assembled and which may not be readily available to [redacted] through regular channels. Will you please include this folder in obtaining the necessary transmission clearances.
