From: TALENT Control Officer, U. S. Navy
To: TALENT Control Officer, Central Intelligence Agency

Subj: TALENT Clearances for billets; request for

1. It is requested that two (2) additional billets be authorized for the intelligence collection branch of the Office of the Chief of Naval Operations. They are as follows:

Op-922H2E - Plans, Publications and Requirements: Concerned with all-source requirements and collection capabilities in connection with certain collection programs.

Op-922H2F - Fleet and District Intelligence Office Collection: Involved in comprehensive review of collection requirements.

2. Further it is requested that two (2) additional billets be authorized for the Commander in Chief, Pacific, which will give them a total of nineteen (19) billets. Those requested are:

COMMANDER IN CHIEF, PACIFIC

Chief, Special Security Office: This position produces Special and Combined intelligence reports, and appreciations on a daily basis; prepares and delivers all-source oral briefings for the Commander in Chief, the Chief of Staff and other flag and general officers within the Command section of the CINCPAC Staff. In the performance of this aspect of his duties it is necessary that he have access to all pertinent information and data so that he may effectively and accurately sense the importance and implications of fragmentary special intelligence information with which he works and to enable him to present to appropriate senior officials at one setting, the total intelligence available on a particular area, situation or development.
