MEMORANDUM FOR: Project Director

ATTENTION :

[Redacted]

25X1A9a

SUBJECT :

Clearances for Project AQUATONE

1. It is requested that the following named O/SI personnel be cleared for Project AQUATONE:

25X1A9a

[Redacted]

2. The above named O/SI personnel will be directly engaged in the analysis, exploitation and production phases of the Project. Because of O/SI's unique relationship to the operational phase of Project AQUATONE and the work to be done by [Redacted] in the O/SI TALENT Control Center in support of Project Operations, it is necessary that they be cleared for Project AQUATONE.
