on space requirements, both for the new building and outside the new building, will be given to the Administrative Officer, who will handle space matters on the subject in the future.

6. Emergency Planning

PPS held war and emergency planning discussions with the XO and MPO. We reviewed the 7 April memorandum setting forth the new Clandestine Services planning procedures. Copies of the memorandum were obtained and sent to the Ops School and Intelligence School for their retention. An additional copy was routed to SIC and the XO. C/OE was asked to comment on how the new planning procedures might be used to firm up DD/P training requirements in a more satisfactory manner than now is the case.

7. ELINT Training Program

In keeping with conversation with DTR, the ELINT Staff has been advised that OTR will not request specific JOT slots or funds for them until specific requirements for JOT ELINT training are levied on our office.
