Incident to Mr. [redacted] attendance at the Effective Speaking Course, he gave a talk on the JOT Program. As a result, a fellow student, Mr. [redacted] Deputy Chief, [redacted] TSS (extension [redacted]) asked how his Division could recommend individuals for inclusion in the JOT Program. It seems TSS [redacted] has already interviewed eight or ten young men graduating this June whom they would like to hire but lack the slots to do this. [redacted] believes some, if not all, of these men possess the qualifications to be JOT's. PPS called [redacted] and arranged for him to talk with [redacted] relative to forwarding the personnel files in question to G/JOTF for screening.

Reviewed TS document covering the requirements for clandestine collection in support of priority national intelligence objectives for [redacted]. This is the first document of this type received and it was transmitted to C/OS for his information.

6. Senate Bill 1243

This Bill is an amendment to the Foreign Service Act of 1946 to establish standards of foreign language proficiency for the Foreign Service of the United States. No action has been taken on the Bill, other than referral to the Foreign Relations Committee, and no activity is contemplated in the near future.

7. H. R. 3880

This Bill was introduced to create a Freedom Commission for the development of counteraction to the world Communist conspiracy and for the training and development of leaders in total political war. There has been no specific legislative action on the Commission or the establishment of a "Political West Point," which is a vital portion of the Bill. However, the thinking on this is still very much alive and the Legislative Counsel is of the opinion that something may develop during this session of Congress.

8. Emergency Force
