Chief, Plans and Policy Staff

Weekly Activity Report #7

1. African Conference

25X1

Arrangements have been made for Mr. [redacted] to attend the African Conference which will be held at the Department of State on 5 March. Attendance for members of this Agency is limited to six. The Department of Defense, Army, Navy, Air, USIS, ICA, and State will be represented. Mr. Max Milliken of the School of International Studies, MIT, will also participate.

\* 2. Public Law 85-507, Employees Training Act

George Carey, Assistant General Counsel, has advised after many discussions with the Bureau of the Budget and the Attorney General's office, the Executive Order authorizing requested Agency exceptions to the act is now at the White House awaiting signature.

3. Additional Space Requirements

At the request of the Building Planning Staff/Logistics Office, additional OTR space requirements for a second new building have been compiled. If a second new building is not approved at the Langley site, the data submitted can be used for OTR space requirements in any other structure(s) in the metropolitan area of Washington.

4. ELINT Training Program

A memorandum drafted by the ELINT Training Subcommittee was approved by the ELINT Advisory Committee on Tuesday, 17 February. The memorandum will be sent to OTR (probably on 24 February) to be coordinated with the DTR and then the three Deputy Directors of the Agency prior to its submission to General Cabell for final approval. The memorandum contains three statements of primary interest to OTR. These are:
