MAY 26 1955

MEMORANDUM FOR: Chief, Medical Staff

SUBJECT : Commendation

REFERENCE : Inspector General's Survey of the Medical Staff
dated 22 April 1955

1. I note with pleasure the Inspector General's favorable comments in the referenced report regarding the sound and progressive medical program that has been developed under your direction, and his recommendation that you should be commended for your role in the formulation and implementation of this program.

2. It is clear that in addition to your professional competence, you have succeeded in establishing policies, procedures, and medical standards which will promote and maintain the health and stability of Agency employees. It is very gratifying to receive such recognition of a thoroughly competent job being done by one of our important support components.

3. May I add my endorsement to this commendation together with my personal appreciation for the important role you have played in the successful development of the Medical Staff.
