

ER-6-9425

[APR 22 1955]

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Survey of the Medical Staff

1. The attached survey sets forth for your consideration conclusions, recommendations and supporting data on the Medical Staff.

2. The Agency's medical program developed and supervised by the Chief, Medical Staff has been soundly conceived and efficiently and effectively implemented. A few relatively minor deficiencies were noted and appropriate corrective action has been consolidated in the form of recommendations for your approval. Forwarded herewith is a memorandum for your signature which designates the Deputy Director (Support) as Executive Agent for implementing these recommendations and which requests that a report on the action taken be rendered to you not later than 1 June 1955.
