**MEMORANDUM FOR:** Director of Operations

**SUBJECT:** HTAUTOMAT Requirements for  
Project AQUATONE Photography

1. I have attached herewith a formal statement of requirements from Mr. Lundahl. On the basis of a quick look this seems to me simply to confirm the requirements as we have understood them right along.

2. Unless you see some reason why these requirements cannot be met, would you have an extremely brief reply drafted for my signature stating that we will endeavor to meet these requirements to the best of our ability.
