OFFICE OF LEGISLATIVE COUNSEL

Thursday - 28 April 1960

[Redacted]

2. [Redacted] advised William Macomber of State Department that we had queried Senator George Smathers regarding his statement in the Congressional Record to the effect that he had information which led him to the conclusion that Drew Pearson was correct when he stated in his column that Red sub bases were being built in Cuba. Macomber was told that Senator Smathers indicated that the statement which appeared in the Record was somewhat stronger than he had intended and that while this was his opinion he had no definite source on this and could not prove it. Macomber appreciated our reporting this information to him.
