ACEP PROGRAM DETERMINATION NO. 1235

DOC Exempt Letter On File

To: Director
Bureau of Foreign Commerce

Subject: Establishment of General License Applicable to
European Soviet Bloc countries 1/
(OC Document No. 1214)

A. Establishment of General License

BFC is authorized to establish a General License to European Soviet Bloc countries 1/ for commodities set forth in the Appendix to this program determination.

1/ This does not apply to China, North Korea, and other Far Eastern Communist points including the Communist-controlled areas of Viet Nam and the Communist-controlled area of Laos.

B. Licensing Criteria

Items meeting any of the following criteria shall be excluded from the General License authorized herein:

- (a) Items which are on USMESL or the Consolidated China Special List;
 - (b) Items which are not rated, but are on the Positive List for security reasons, because of the special interest of another Government agency or department;
 - (c) Items for which there is evidence of unusual demand from Communist China;
 - (d) Items whose exportation is governed by a short-supply program determination;
 - (e) Items whose supply and demand in the U.S. are in precarious balance;
 - (f) Significant items of capital equipment, industrial or farm machinery;
 - (g) Items usable as prototypes possessing advanced technical data of an extractable nature, which data require protection from pirating for reasons of strategic or commercial policy; and
 - (h) Schedule B numbers which include Commodity Credit Corporation Surplus agricultural commodities.
- C. BFC shall submit to the ACEP structure all proposals for additions to or deletions from the list of items.
