

4 June 1946

My dear Mr. Sagendorph,

The records which you advised were being shipped to me on 14 May 1946 arrived promptly and they have been examined carefully with special attention given to the matters upon which you offered comment. They have served to clarify several points of definite interest.

The study of these records has now been completed and I find that it will not be necessary to retain them for our files. I am, therefore, returning them to you by mail today in accordance with your wish.

I again thank you for your cooperation in this matter.

Sincerely,

SIDNEY W. SOUERS
