MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 2 to Contract No. TE-2191 with Edgerton, Germeshausen and Grier, Inc., Las Vegas, Nevada, [redacted] Project GUSTO.

1. This memorandum contains a recommendation submitted for approval of the Director of Central Intelligence. Such recommendation is set forth in paragraph 5.

2. Contract No. TE-2191 provides for certain preliminary studies and testing [redacted] for the period 1 May 1957 through 30 June 1958. This Amendment No. 2 extends the period of performance through 30 June 1959. The Company in this extended period will furnish services and materials incident with establishing and maintaining [redacted]

3. This Amendment No. 2 results in a net increase of \$216,462.50 (funding for a six month period) which should be obligated against (Gusto) Fiscal Year 1959 funds. *Posted*

[redacted] By concurrence to this memorandum the Comptroller signifies that the funds have been noted and will be formally obligated when same are made available to his office.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 61st Congress, for each contract.
