25X1 1. (Unclassified -) Talked with Peggy MacDonald in the office of Senator Henry M. Jackson saying I would be glad to come up to meet with Senator Jackson and Holmes Alexander at the Senator's convenience. Miss MacDonald said she would mention this to the Senator and advise. 25X1

David Martin, Staff Assistant to Senator Dodd, gave me a copy of a draft press release which he will recommend the Senator make in rebuttal to Richard Starnes' most recent column regarding the Agency and Senator Dodd's defense of the Agency. Martin has made this available for Agency review and comment keeping in mind that the opinions expressed are those of the Senator. This has been circulated to members of the Task Force for comment.

25X1 3. (Unclassified -) I advised Representative Sam Gibbons that Mr. Dulles was presently out of the country but I would be able to speak to his secretary tomorrow and get some idea as to his commitments for the latter part of March and the first part of April. (See Journal of 4 March) It was agreed that we would discuss the matter further tomorrow.
