MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Recently Appointed Scientific Personnel

1. This memorandum is for your information.
2. Sometime ago you mentioned to me your interest in our efforts to recruit qualified scientific personnel. I believe you were particularly interested in the measure of our success in acquiring such persons in view of the handful of midcareer officers who left the Agency during the winter of 1962-1963.
3. Attached for your information and interest are brief biographical statements of those officers at the midcareer or higher level whom we have brought aboard since 1 January 1963.
4. I am satisfied that our recent acquisitions, as indicated in the attached sketches, bring to the Agency a level of accomplishment and experience superior to that of the personnel losses mentioned above.
