MEMORANDUM FOR: Contracting Officer, OSA

SUBJECT : Reorientation of Referenced Contract

REFERENCES : (1) Task Order No. 5, Contract No. BB-425, Gamma I and Gamma II Printer Design Study, Itek, Lexington, Massachusetts

(2) Memorandum dated 9 October 1962 (BYE-777-62)

1. The Gamma II (6.6 inch) printer requirement no longer exists due to official cancellation of the collection system program. The follow on hardware phase should be cancelled.

25X1A

2. With the in-house modifications to the Itek, Aschenbrenner, Rectifiers performed by the requirement for the Gamma I (70 mm) printer also no longer exists. The follow on hardware phase should be cancelled.

25X1A

3. A meeting of the Contract Monitor and the evaluating team, both of the Army, will review the study performed by the Itek people to see if it can be reoriented and applied to any future collection program. This meeting will take place early in January.
