PRECONTRACT APPROVAL RECORD  
(PART TWO)

CONTRACT  
SC-991

SC-991 The services and equipment being procured by this Contract No. \_\_\_\_\_  
\_\_\_\_\_ are in furtherance of the IDEALIST

Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

25X1A Contract No. SC-991 is being terminated and new contract  
No. TM 992 will be negotiated. A reduction of [redacted] is being  
25X1A made, and these funds will be used to supplement an overrun condition on [redacted]

25X1A Because of the "minute" activity under SC-991 (approx.  
[redacted] during FY-65, the submission of invoices should be paid  
25X1A without need of negotiation of T&M rates. The recommended rates  
25X1A are only 2-3% from the submitted [redacted] rates when the difference  
is applied to the invoiced [redacted]. The amount is not enough to  
25X1A warrant on adjustment by negotiating new rates. It will be done  
on a new T&M Contract.

Finalization of funding for the period 1 January 1961 - 30 June 1965 will be effected after receipt of a claim and final audit.
