October 17, 1962

STATINTL   To:

                    Enclosed are three (3) copies each of our Cost Proposals for
Technical Directives 1002, 1006A, and 1009.

    TD 1002 - Stellar/Index Intervalometer and Stepping Switch Redesign.

Approvals STATINTL

1. CCB ∮ STATINTL

as change in scope.

Basically, this change involves Engineering, Design and
Drafting modification to our existing cable design and
harnesses, and rework of electronic packages. The C.P.I.F.
value of [   ] confirms our previous R.O.M. of [   ]

Specification 43961 shall be amended as follows: Paragraph
3.10.1.5, next to last sentence, add the following:

"and expose no more than three (3) S/I frames for each 16
frame bursts of the panoramic instrument. The S/I camera
shall operate whenever the main instrument operates independent
of whether or not an "intervalometer" command is received.
The S/I camera can operate without the main instrument by
applying "intervalometer" command."

    TD 1006A - Pan Camera Instrumentation Change and S/I Control
           Function added.

Approvals:

1. CCB ∮ SE
2. *authorization —*
   no decision or scope.
3. *Ch accepted with
add'l cost but no
change in scope.*

STATINTL

This change required the deletion of one potentiometer already
on hand, the rewiring of one other potentiometer and the
addition of two commutators. The costs are for redesign,
drawing changes, and procurement and installation of the two
new commutators and associated cabling in the equipment. The
C.P.I.F. value of [   ] confirms our previous R.O.M. of

[   ] STATINTL

We understand this TD has had final approval and are, therefore,
submitting the cost proposal in the interest of time.

We also are waiting receipt of copies of Revision "C" to SP2-
156-L System Electrical Interface which has incorporated these
changes.

-2-

Exhibit "A" should be modified as follows:

A.3.n   Delete "3 sets vertical installation sling assemblies" and replace with, " 3 each instrument handling fixtures".
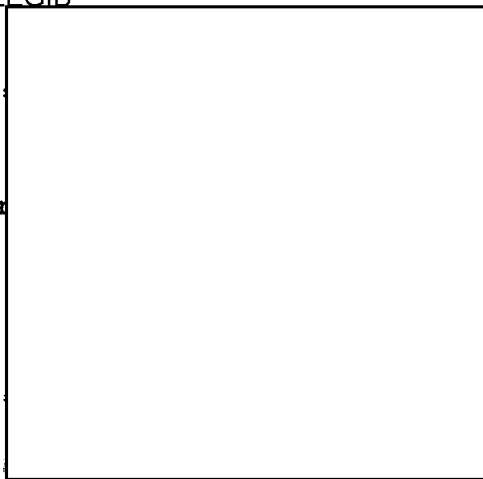

B.3.n   Delete "3 sets vertical installation sling assemblies" and replace with, "3 each instrument handling fixtures".
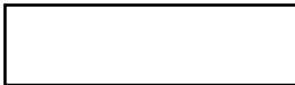

Delete the delivery schedule and replace with "Pan Concurrent".
