NSCID PROPOSED DIRECTOR OF CENTRAL INTELLIGENCE DIRECTIVE 3/1

BIOGRAPHICAL DATA ON FOREIGN SCIENTIFIC AND TECHNOLOGICAL PERSONALITIES

Under the authority of the National Security Council Intelligence Directive No. 3, and for the purposes enunciated in paragraph 3 thereof, primary responsibility for the maintenance of biographical data on foreign scientific and technological personalities is assigned to the Central Intelligence Agency.

1. To implement this undertaking, the following procedures are established:

a. Departmental intelligence agencies shall continue to collect, analyze, and abstract biographical data on foreign scientific and technological personalities in accordance with their needs.

b. Departmental intelligence agencies shall forward to the Central Intelligence Agency, in the manner most satisfactory to the collecting agency, all biographical data originating within their respective departments on foreign scientific and technological personalities.

c. The Central Intelligence Agency shall codify and index all such data received, including such data as may be received from all sources, and shall incorporate the actual material received in its files.

d. All biographical data on foreign scientific and technological personalities maintained by the Central Intelligence Agency shall be readily available to the participating Departments and Agencies.
