D R A F T

(Draft of new paragraph 8 for Memo of October 8, Reorganization of ICAPS)

8. Whether additional duties should be given to ICAPS or the former survey and inspection work be restored are matters which are within the purview of the directorate of CIA. It is thought, however, that either the ICAPS personnel should be reduced or the duties of ICAPS increased.

9. It is recommended, therefore, that:
1. *If ICAPS personnel is to be reduced:*

- a. The Joint Staff liaison officer and his stenographer ^{should} be assigned to ORE. 25X9A2
- b. ^{should} ICAPS personnel be reduced to [REDACTED] officers and the [REDACTED] most experienced stenographers to perform the duties listed in paragraph 7 above.

2. If ICAPS is to remain as presently constituted:

a. additional duties should be assigned to ICAPS

b. ^{The Director should} recommend to the IAC that the Standing Committee, as such, be dissolved, and ^{he should} assign to ICAPS those coordinating duties. *(Many members of ICAPS has not seen this D 2 A as he is on vacation.)*
