O/RE Office Memorandum - Notice No. 40

8 November 1950

SUBJECT: Monthly Reporting Guides

S/Re and OCD are presently working out a procedure for distributing the monthly reporting guides to collection agencies outside CIA. For reasons of security such guides should not carry any identification with CIA, O/RE, or any geographical division. Future issues of these guides will indicate only the specific area covered, the month, and the year. A satisfactory heading would be as follows:

25X1
