ORE OFFICE MEMORANDUM

EPB NOTICE NO. 5-50

6 February 1950

SUBJECT: Agenda for the Fourth 1950 Meeting of the Estimates
Production Board to be Held at 1430 hours, 10 February
1950 in Room 2519 "M" Building

REFERENCE: Draft ORE 100-49 (copy attached)

1. The reference draft ORE has received three departmental dissents. These dissents are not based upon disagreement with the facts presented in the paper; they are based upon the assertion that the facts as presented do not support the conclusions reached in the paper.
2. The Estimates Production Board is requested to review the referenced draft ORE and be prepared to recommend to the Assistant Director for Reports and Estimates at the Fourth Meeting, one of the following courses of action:
 - a. that the paper be withdrawn
 - b. that the paper be modified and submitted for reconsideration of the IAC. (Note: If so, to what extent and along what lines?)
 - c. that the paper be published as is, including statements of dissent.
3. There is no significance to the order in which the possible courses of action under paragraph 2 above are listed.
