TERMINATION OF OPERATION "BOOTSTRAP"

Because of increased and successful efforts on the part of the Agency Office of Personnel (practically all of our remaining clerical slots are now filled by names of individuals in process), "Operation Bootstrap" is terminated. ORR personnel are again reminded that contacts with sources for personnel are made only by, or with the advance approval of, the Personnel Division, Office of Personnel, and that person-to-person contacts are governed by CIA Regulation 20-1, paragraph B.

THANK YOU

The AD/RR has received a memorandum from the Assistant Director, Personnel, thanking ORR for its support in recommending sources of specialized manpower. A total of more than 2000 sources have been recommended for approximately 600 types of specialized personnel. These leads are being organized in a Source Index according to specialization, location and assigned field representative.
