CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

26 April 1963

MEMORANDUM FOR ALL EMPLOYEES:

1. All of us in the Agency can be especially proud of the substantial support which we contributed towards the recently completed fund-raising campaign for the National Health Agencies and the Federal Service Joint Crusade. It is particularly noteworthy that increases were achieved in the percentage of employees who contributed, and that the average amount of our gifts resulted in higher dollar totals in both of these campaigns.

2. Our contributions to the National Health Agencies amounted to \$30,670, an increase of 43 percent over last year, while contributions to the Joint Crusade were \$15,595, a 17% increase over last year. You are to be commended for your generous assistance to these worthwhile causes.

3. I also want to make special commendation of the fine job done by our Vice-Chairmen and Keymen whose efforts contributed materially to our successful campaign.
