SUBJECT : Dissemination of Reports to John F. Kennedy
Special Warfare Center, Fort Bragg, N. C.

FOIAB3B1

1. OCR does not disseminate directly to the Special Warfare Center at Fort Bragg and a check with OCI [redacted] reveals that not any of the OCI [redacted] publications are disseminated directly to the Center. CIA material is disseminated by us to DIA who in turn disseminates it along with all the other material it receives to over 3,000 dissemination points within the Defense Agencies which have listed their requirements with DIA. We assume a requirement of this type should be serviced by DIA.

2. The DD/P reading panel advised me that any current reporting on the military situation in Vietnam would be disseminated to SOD/DD/P among other places within the DD/P complex, but that all information on Vietnam would go to the Area Division. 25X1

25X1 3. With regard to available material, we receive the [redacted] [redacted] reporting on Vietnam. In addition we receive information reports from the Defense Agencies, Department of State, Agency for International Development, the Saigon Interrogation Center (SIC), the U. S. Military Assistance Command - Vietnam (MACV), and others. We also receive intelligence memoranda and evaluated studies from the same agencies as well as the products of the several offices of this Agency. The Cable Secretariat, of course, receives CIA and non-CIA cables and telegrams.
