Mr. John Parangosky

Dear John:

25X1A

I am enclosing two copies of Technical Report No. 17 on the [Redacted] which has just now come off the press. As it may be helpful for any review of the program now under discussion, I am rushing these to you.

Please consider them your personal preview, as the Staff here including Jim and Ed have not had the opportunity to review their own copies yet. It is expected that the Final Report will be available for distribution, per your instructions, by the end of the week.

Sincerely,

25X1A
