Dear Wendell:

Subject: Contract PR-8200

Per your recent request we have attached our presently estimated funding requirements on PR-8200 for fiscal '63 and '64 and our budget requirements for tech representatives and spares for '63 and '64 and maintenance and overhaul for fiscal '64. These estimates are set up on the basis of the completion of three units and six units.

25X1A

25X1A

The figures on PR-8200 indicate that we anticipate an additional requirement above the present contract amount [redacted] of approximately [redacted] for completion of the three units and approximately [redacted] for completion of six units. The current contract value should carry us through calendar 1962.
