MEMORANDUM FOR : Assistant Director for Special Activities

SUBJECT : Antenna Tests
25X1A2d2

REFERENCE : [redacted]-4017-64 dated 11 February 1964

25X1A5a1

1. Reference requested that the Office of Special Activities negotiate with [redacted] for the redesign of the SYSTEMS XVII. The redesign of the SYSTEMS XVII necessarily entails the wedding of compatible antenna structures to the aircraft frame. While [redacted] was selected as the contractor to pursue the fabrication of the SYSTEMS XVII, it was envisioned that [redacted] would conduct necessary test and evaluation of ancillary antenna structures to determine their aerodynamic feasibility together with their effect on aircraft performance.

2. Technical Proposal 183, attached, has been reviewed by the Office of ELINT Staff and has been determined acceptable. Accordingly, it is requested that your Office proceed with negotiations with [redacted] for the execution of this contract. Form 1716, attached, substantiates the [redacted] this Office has encumbered for purposes of initiating the contract.
