JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 16 May 1966

[Redacted]

25X1  
STATSPEC

2. [Redacted] Attempted to see Mr. Robert McManus, Special Subcommittee on Internal Security, concerning the inquiries from Senator Dirkson regarding the testimony of [Redacted] on Soviet assassinations. Mr. McManus was out and will not be back until Wednesday; I will try to see him at that time.

25X1

3. [Redacted] Left in the custody of Mr. William Darden, Senate Armed Services Committee staff, certain sensitive selected materials commenting on the New York Times articles on CIA. Mr. Darden is to hold these against a call from Senator Symington who has an interest in these items.

STATSPEC

Also left with Mr. Darden, a copy of the [Redacted] round-up on the New York Times articles and intelligence documents on Communist China and the Soviet Union.

STATSPEC

4. [Redacted] Left with Mr. Robert Michaels, House Appropriations Committee staff, a copy of the [Redacted] on the New York Times articles, and the intelligence documents on Communist China, the Soviet Union, and Castro and Communism.

STATSPEC

5. [Redacted] Left with Mr. Blandford, House Armed Services Committee staff, a copy of the [Redacted] on the New York Times series.

6. [Redacted] Mr. Peter Gerardi, House Science & Astronautics Committee, advised that he is starting a project for the Chairman looking into the questions of space walking, rescue of disabled astronauts or vehicles and related matters. He requested assistance in identifying unclassified material, American or Soviet, that has been developed to date on these subjects. Available material is being drawn together by FMSAC.
