MEMORANDUM FOR: Deputy Director for Science & Technology

25X1A

ATTENTION :

SUBJECT : **Recommended Topics for Discussion with
Members of Legislature**

1. Pursuant to your verbal request, the topics listed below are suggested for discussion with members of the CIA Legislative Subcommittees. The basis for our recommendation is that all the programs listed below are current operational programs rather than a recitation of history. We assume that this was your preference.

25X1A

a. OXCART/BLACK SHIELD deployment.

b. IDEALIST for world-wide deployment.

25X1C

c.

2. If you consider any of the above topics as applicable for discussion, we will be happy to furnish you briefing notes upon request. Of course all recipients would require special security clearances.
