MEMORANDUM FOR THE RECORD

SUBJECT: P&W J75-P13B Engine Procurement

1. I had a phone call from [redacted] of East Hartford on 1 August, in response to my request for costs for U-2 engines. He advised the following:

25X1A

a. At present there are 20 engines on order by USAF.

b. The production line will end in October 1967, and we cannot add on to the line, therefore we will have a 16 month lead time from date of order.

c. Approximate cost per engine will be [redacted] each.

25X1A

d. Production rates will be at 2 per month.

e. This assumes an order of 15 plus engines.
