20 September 1966

MEMORANDUM FOR: Assistant Deputy for Operations, OSA

SUBJECT: [redacted] Monthly Commander's Report
August 1966

1. Subject report has been reviewed by this office and the following comments are submitted:

REF: Part I, Para A2: The submission of photographs of the [redacted] Maintenance Trend Analysis Board as an attachment to the Commander's Report is appreciated. This subject, as discussed with the [redacted] Maintenance Officer, is receiving increasing emphasis in the Command. Headquarters is continuing actions with Field Activities in developing significant analysis techniques.

REF: Part I, Para A3: Materiel problems during August attributable to the supply of components or hardware were subsequently resolved. Headquarters has directed the movement of FAK items peculiar to "G" model Articles to [redacted]. Headquarters will continue welcome comments from [redacted] on the quality of maintenance provided by Contractor personnel, particularly in [redacted] functional areas. Strong interest remains on the training and field assistance that [redacted] has been requested to provide [redacted] in the near future.

REF: Part I, Para D6 (Materiel): A new model pitot static tester has been evaluated at [redacted] and will be shipped to [redacted] as soon as released.

2. All other portions of this report have been noted.

[redacted]
Acting Deputy for Materiel, OSA
