MEMORANDUM FOR: Deputy Director for Intelligence

ATTENTION :

25X1

SUBJECT : Survey of CIA Intelligence Publications

1. Returned herewith are the revised distribution lists for four OCI publications which you forwarded by a transmittal slip dated 31 October 1966. The original recommendation entitled Publication Distribution Lists for the DCI set out that any changes in the distribution lists will be made by the originator of the publications. In my memorandum dated 3 August 1966 this was set out in paragraph 1 a. It is regretted that this memorandum did not make it clear that it is the responsibility of the originating component to make the future changes in the publication distribution books.

2. There are three of these books, one each in the Office of the DCI, DDCI and the Executive Director-Comptroller. In preparing the initial books we used the original list for the DCI's copy and made xerox copies from the original for the DDCI and the Executive Director-Comptroller's books.

3. It is requested that these changes be handled by your office since the Agency Publications Board has completed the Survey of CIA Intelligence Publications and the implementation of the approved recommendations.
