

OSA - 0451-66

21 February 1966

To: Contracting Officer, SP-1928
Subject: REVISED PROPOSAL FOR CONVERSION OF SEVEN (7) U-2 AIRPLANES TO U-2C-J75 CONFIGURATION; AND SUPPLY OF FOUR (4) SETS OF PARTS

Reference: (A) [] Message 3652 dated 28 January 1966
(B) [] Message 4852 dated 27 October 1965
(C) Proposal Report SP-870F dated 16 September 1965

Enclosure: (a) Three (3) Copies Cost Proposal dated 11 February 1966

Enclosed is our revised proposal to modify seven (7) SAC U-2 Airplanes in accordance with the Description of Conversion on Pages 3 and 4 of Contractor's Report SP-870F, revised 16 September 1965, and supplemented herein. Our target price of [] includes the work to install extended elevator and tab, System 9C in lieu of 9B and provisions only for the time code generator and [] equipment. The target price to supply four (4) sets of additional conversion parts is [] Proposal total target price for both items of work is [] and the proposed ceiling price is []

The premises used to calculate the above target and ceiling prices are those set forth on Pages 1 and 2 of the aforementioned Report, SP-870F. Schedule for modification is on Page 7 of the said Report. Please let us know if there is any additional information you need to evaluate this proposal and advise when we may meet to conclude the negotiations.

Sincerely,

Kelly
