25X1 6. [redacted] Talked to William Darden, Senate
25X1 Armed Services Committee staff, and gave him a little more information
on [redacted]. However, Mr. Darden felt he would like to go over
this case in some detail and I said I would pull the papers together and be
back in touch with him.

25X1 [redacted]

25X1 8. [redacted] Senator John Stennis telephoned
asking if he could get an informal briefing on Southeast Asia or any other
items we wished to bring to his attention. He indicated he did not wish
to bother any of our top people. Arrangements were made for an 11 o'clock
meeting tomorrow morning.

25X1 9. [redacted] Discussed the [redacted]
25X1 [redacted] with J. Garner Cline of the House Subcommittee on Immigration
and Naturalization. Cline can foresee no difficulty with either bill on their
merits, but believes that without outside pressure it is unlikely that either
bill will be considered in the near future. In the case of the [redacted]
I shall suggest to the desk that the beneficiaries write their Congressmen
asking for assistance.

25X1 10. [redacted] Met with Miss Drummon, in the office
of Representative Natcher, concerning [redacted]. Miss Drummon
25X1 said our reply was most satisfactory under the circumstances and wanted
to know if [redacted] did submit an application would it be reviewed and I said
that it would.
