1. [redacted] Talked to Mrs. Oneta Stockstill concerning the problem of availability of the testimony [redacted] in the office of the Superintendent of Documents. Mrs. Stockstill put me in touch with Mr. Murphy in the office of the Superintendent of Documents who said in view of the demand for this testimony he would ride the jacket on the House Armed Services reorder. He also said he would put the document on the list of selected Government documents which goes out to 9,000 people. He will determine the number of copies to order based on past orders for similar documents.
