8. [redacted] Mr. Morell, D/ORR, called concerning a document ORR is preparing for State Department in connection with the Soviet-Fiat arrangement. Mr. Morell said that the State Department proposes to use this document on the Hill in discussing this proposal with members of Congress. Mr. Morell wished to raise the question as to the proper handling of this from the congressional relations standpoint. I suggested that this be discussed with Mr. Helms at the 9:00 meeting.
