OFFICE OF LEGISLATIVE COUNSEL

Thursday - 7 December 1967

25X1 1. [] Met with [] 25X1
in his office and delivered to him the U. S. Treasury check dated today.
25X1 Conversation concerning the check was limited to a brief discussion
of the deductions for Federal income taxes and Social Security which
had been made. [] thanked me very much for the check
and noted that we were "fast" in getting it to him.

25X1 2. [] Met with Mr. Donald O'Donnell, Senate
Permanent Investigations Subcommittee staff, and delivered to him a
blind memorandum entitled Communist Bloc Schools in Accra, Ghana.
Mr. O'Donnell felt that the information provided would be most helpful
and advised that a formal response to Chairman McClellan would not
be necessary and that he would make the appropriate file notation. In
addition however, he requested on behalf of the Chairman any other
information of the nature set forth in the memorandum that might be
available, and said it would be very much appreciated. See Memorandum
for the Record.

25X1 3. [] Miss Pershing, in the office of
Representative John W. Wydler, called to say they had received an inquiry
from a constituent as to whether this Agency as well as the FBI had
scholarship programs for prospective employees. She said she received
a reply from the Bureau that the FBI had no funds for this purpose. I
told her the same answer applied to this Agency.

25X1 4. [] Robert Michaels, House Appropriations
Committee staff, called inquiring if we could give him any thoughts on the
book by Dennis Bloodworth, The Chinese Looking Glass. I said I would
look into this and advise.
